## NEW REXTON

DRIVE IN LUXURY, TRAVEL IN STYLE

Understated design is in the details, and as befits a premium quality luxury SUV, the Rexton has some notable features that truly make a difference. With ample power and torque, a 6-speed automatic transmission, available 4WD with a rear locking differential, the new Rexton is a formidable tour de force.

The new Rexton has one of the most comprehensive suites of both active and passive safety systems to help keep the driver and all occupants protected and secure at all times.

Some Features Shown May Vary From Model Available.
